RENEWED PETITION UNDER 37 CFR §1.47(a)

Commissioner for Patents

Washington, D.C. 20231

Sir:

This replies to the decision of April 2, 2002, which dismissed applicants' petition under 37 CFR §1.47(a) filed on December 17, 2001. The decision states that insufficient proof of the pertinent facts, that the first listed inventor, namely, Alan Bradley JONES, has refused to sign the application papers. Specifically, it is advanced that Mr. Ricky Siang Fatt CHIA lacks firsthand knowledge as to points 10-12 of his statement, since Mr. Alan BECK of Tel.net Media is the individual who corresponded with the non-signing inventor.

Accordingly, there is submitted herewith a corroborating statutory declaration from Mr. Alan James BECK, the person having firsthand knowledge of the facts recited at Items 10-12 of Mr. CHIA's declaration.

As is noted in Mr. BECK's declaration, to date, Mr. Alan Bradley JONES continues to refuse to execute the application papers which was sent to him by registered mail.

In view of the above additional documentary evidence, and the materials previously submitted, it is believed that this application may now be accorded status under 37 CFR §1.47(a), and that the petition may now be granted. Such grant is respectfully solicited.

Respectfully submitted,

YOUNG & THOMPSON
